Dear Friend:

So many of us have been touched by cancer – whether it has been something you’ve experienced yourself or watched a family member or friend go through – it’s difficult to find someone who hasn’t been affected. Many people wish they could help, but don’t know how. That is why **Spring For A Cure** was created.

The idea for **Spring For A Cure** came from two women whose lives have both been touched by cancer. Amy Monteleone is a breast cancer survivor who worked to raise awareness even before she was affected by cancer. She has been diagnosed with a recurrence, making **Spring For A Cure** all the more significant for her. Finding a cure is extremely important for Amy not only for herself, but so that she can be there for her ten year old son as he grows up. Bonnie Forsythe has been touched in a somewhat less extreme way. Her best friend is a Hodgkin’s Disease survivor who has faced a recurrence and won his battle. Bonnie’s motivation comes from her desire to never have to see her friend – or any cancer survivor – have to face the disease again.

The **3rd Annual Spring For A Cure** is the perfect opportunity for you to participate in raising funds that will go towards finding cures! Last year **Spring For A Cure** raised over \$20,000! We’d love to do even better in 2010!

The Leukemia & Lymphoma Society and Susan G. Komen for a Cure (Susan G. Komen Breast Cancer Foundation) will both benefit from your donation to **Spring For A Cure**, and there are so many wonderful ways to participate.

We are seeking a variety of **Sponsorships** – Platinum, Gold, Silver, and Bronze – and are also in need of **Table Sponsorships**. All sponsorships are accompanied by event tickets, advertising in the event program and on the web site, as well as the opportunity to display information at the event. There will be a **Chinese Auction** for which we are in need of gift baskets /items and there is also a **50/50 raffle**. (50/50 raffle tickets are available for pre-sale.)

All sponsors will be listed in the program and on our web site which is www.springforcure.net. Table sponsors will also have their name/business displayed on a table. You may choose to have your donation made in honor/memory of someone and this will also be displayed.

The fundraiser will include a delicious lunch and entertainment.

Your generosity and support of the **3rd Annual Spring For A Cure** is deeply appreciated.

Sincerely,

Amy Monteleone / Bonnie Forsythe
